ALL-COUNTY INFORMATION NOTICE I-102-79

To: COUNTY WELFARE DIRECTORS
COUNTY ADMINISTRATIVE OFFICERS

SUBJECT: WORKLOAD AND COST COMPARISON REPORT FOR QUARTER ENDING MARCH 1979

REFERENCE:

This is to clarify any confusion caused by the recent receipt of the 3rd quarter WACC report. The All-County Information Notice I-85-79 correctly identified the report as data pertaining to the quarter ending March 1979. The cover of the report (dark blue), however, erroneously indicates the quarter ending December 1978.

Please accept our apologies for any inconvenience that may have been caused as a result of this printing error.

If you have any questions regarding this or any previous WACC report, please contact the County Administrative Expense Control Bureau at (916) 322-5802.

Sincerely,

R. E. REICH
Deputy Director
